

# M Model 178 Threaded Style Fill Cap

The 178 Series Tight Seal Threaded Style Fill Cap is used for the fill port of small storage tanks. It is lockable with a padlock.

The 178DT is made for a drop tube with 2" straight pipe threads and Buna-N gasket. The 178GSP is labeled "Gauge Stick Port."

The 178 Iron Caps are powder coated for a more durable finish.
