NEVER-BEFORE-SEEN PERFORMANCE IN REFUELING!

The new PIUSI-branded **AC PANTHER EX** pump series is designed to meet the most demanding customers who need robust and reliable pumps capable of delivering unique performance.

Years of research and study of diverse fueling applications have enabled PIUSI to develop this innovative pump. Capable of providing the highest flow rate of its class, it outperforms even while using a range of accessories. The PANTHER EX is available in a **16 GPM and 20 GPM** version to power fast refilling of large tanks.

MAIN ADVANTAGES OF THE PANTHER EX SERIES:

1

Continuous Duty: Nonstop fueling for hours on end. For large fleets or prolonged fueling needs, there is no need to let the pump rest.

2

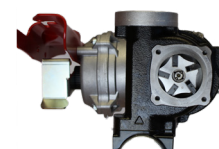

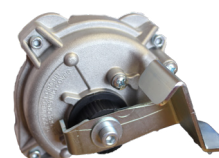

Magnetic Switch: Say goodbye to broken switches! With fully magnetic switch, there is nothing to break and no voiding electrical certifications.

3

Easy lock spin collar: Installation is made quick with this double o-ring protected tank connector.

4

Unrivalled flow rate: Utilizing spring-loaded vanes and a grooved rotor, even with common fuel accessories, this pump outperforms at unmatched flow rates.

Ensuring safe and fast refueling is critical. Don't compromise when it comes to refueling your business. The new PANTHER EX represents the state of the art in innovation and industry!

Select the quality, ruggedness, and superior performance that only PANTHER EX can deliver. Step forward and discover the difference it can make to your business.
